3

TITLE: Case management client files

DATES: 1990-

ARRANGEMENT: Alphabetical by client surname

ANNUAL ACCUMULATION: 0.50 cubic feet.

DESCRIPTION:

These case files document clients' progress and involvement with case management. Case management assists clients in solving life's problems (e.g., paying bills, transportation needs). They are maintained in addition to all other client files which may be generated by other programs within the Center. The files include copies of records from various outpatient client files including service plans, ninety day treatment review plans, referral forms, progress notes, correspondence, and case management notes detailing assistance provided.

RETENTION:

Retain 5 years after case closed.

DISPOSITION:
